

WE  
KNOW  
WHAT'S

IMPORTANT

**PORT OF GREATER  
BATON ROUGE**

### **WE KNOW THE IMPORTANCE OF**

increasing logistics efficiency in your transportation system. That's why we added a custom-designed, deep-reach container stacker called "The Big Red Beast." With a telescoping boom for stacking 4 containers high, it's helped us achieve a 20% efficiency gain in our container operations at the Port.

### **OUR CONTAINER SHUTTLE SERVICE TO NEW ORLEANS:**

- Improves port throughput by reducing dwell time
- Accommodates 24/7 production schedules
- Loads 15% more cargo than truck transportation
- Offers an additional overweight corridor for transportation and alleviates traffic congestion on surface highways
