

Section 3

CHARGES WHICH MAY BE INCURRED BY  
VESSELS ENGAGED IN FOREIGN AND  
COASTWISE TRADE

Issued: June 15, 1955

Effective: July 1, 1955

Issued By:  
THE GREATER BATON ROUGE PORT COMMISSION

Section 3  
Charges Which May Be Incurred By Vessels  
Engaged in Foreign and Coastwise Trade  
(A) Harbor Fee

Item 130	Harbor Fee	All vessels described in Item 135 shall be assessed a harbor fee to assist in defraying the expense of the administration and maintenance of the Port and harbor, including the supervision of the shipping of the Port, with the view of preventing collisions and fires, and coordinating with the Corps of Engineers and Coast Guard to maintain proper channel depth and navigational aids.
Item 135(I)	Vessels Subject to Harbor Fee	<p>A. A harbor fee of \$525.00 per voyage shall apply to all ocean-going vessels engaged in foreign or coastwise trade, as defined in this tariff, which dock, moor or anchor within Port's jurisdiction. A harbor fee of \$50.00 per day shall apply to all gaming vessels for each day such vessel is docked, moored or anchored at any time during the day within the Port's jurisdiction.</p> <p>B. Effective immediately a \$250.00 per vessel security surcharge shall be applied to all oceangoing vessels entering into the port's jurisdiction.</p>
Item 136	Deep Draft Anchorage Fee	For the purpose of scheduling and coordinating deep water anchorage availability for vessels operating within the Baton Rouge Harbor and conducting business with area terminals, the Port of Greater Baton Rouge will now require form BR-1, berth application, for vessels requesting anchorage space in the Baton Rouge harbor pursuant to Item 80 hereinabove. A daily fee of EIGHT HUNDRED AND NO/100 (\$800.00) DOLLARS shall be assessed and paid by either the target terminal or the vessel's agent of record (as agreed upon between those two parties) for anchorage privileges and scheduling with the Baton Rouge harbor. Payment of said fee shall entitle the vessel to receive priority anchorage privileges over vessels that fail to pay said fee.
Item 140	Dock Operation Charge	<p>General Cargo vessels loading or discharging cargo over, under or across the general cargo docks will be assessed a dock operation charge of forty cents (40¢) per net ton of 2,000 lbs.</p> <p>A special discounted dock operation charge of twenty cents (20¢) per net ton of 2,000 lbs. shall be applicable for vessels owned (but not under charter to another shipping line) operated or chartered by a shipping line if that shipping line made at least ten (10) calls at the General Cargo Docks of the Port of Greater Baton Rouge during the Port's previous calendar year.</p> <p>Bulk cargo handled over, under or across the general cargo docks, not utilizing dockside storage, shall be assessed a dock operation charge of twenty cents (20¢) per ton of 2,000 lbs. This rate is not subject to special discounts.</p>
Item 141	Throughput Charge at Mid-stream	All ships receiving or discharging cargo in the Baton Rouge anchorages as described by the U.S. Coast Guard as being the area from Mile 225.8 A.H.P. to 231.4 A.H.P. shall be assessed a throughput charge based on a net ton of 2,000 lbs. or fraction thereof, of the weight of the cargo handled from barges to ships, ships to barges, or from any vessel to another vessel. Throughput rates will be quoted upon request.

Section 3  
Charges Which May Be Incurred By Vessels  
Engaged in Foreign and Coastwise Trade

Item 142 (I)

Dockage  
Charge  
at Mid-  
Stream

All vessels utilizing the Baton Rouge anchorages as described by the U.S. Coast Guard, from Mile 225.8 A.H.P. to 231.4 A.H.P., for the loading or unloading of cargo shall pay dockage charges on a 24 hour per day basis, or fraction thereof, except as specifically provided.

**\*RATES ARE AVAILABLE UPON REQUEST\***

Issued: November 3, 2022

Effective: November 3, 2022

Issued By:  
THE GREATER BATON ROUGE PORT COMMISSION

Section 3  
 Charges Which May Be Incurred By Vessels  
 Engaged in Foreign and Coastwise Trade

*Item 143(I)	Dockage Charges at Mid-stream Handling Facility	<p>Dockage charges for vessels receiving or discharging cargo at the Mid-stream Handling Facility (buoys) at Mile 229 A.H.P. will be \$.36 per GRT per twenty-four hour period (or fraction thereof). Layberth granted upon request by Executive Director (if available) shall be charged at half the dockage rate. In either case, the minimum dockage charge is \$2,000.00 per twenty-four hour period.</p> <p><b>*LAYBERTH GRANTED UPON REQUEST BY EXECUTIVE DIRECTOR*</b></p>
Item 145	Dockage Charges at General Cargo Docks	<p>The dockage rates shown herein shall be assessed vessels assigned berths for the unloading and/or loading of inward and outward cargoes or for other purposes.</p> <p>(1) Vessel Assigned Inward Berth Only: Beginning on arrival of said vessel at her inward berth, the dockage charges shall be assessed.</p> <p>(2) Vessel Assigned Outward Berth Only, or Both Inward and Outward Berth or Berths: Beginning on the first day after the expiration of the free time for assembling outward cargo, if the vessel has not arrived at her inward and/or outward berth before the expiration of such free time, the dockage charges shall be assessed. The dockage rates which will be applicable to vessels engaged in foreign or coastwise trade shall be charged on the length overall in feet shown in Lloyd's Register of Shipping and shall apply on a 24 hour per day basis.</p> <p>(1) Incentive Dockage Rates: A special dockage rate equal to 60% of the normal applicable rate as shown in Item 145 shall be assessed against vessels utilizing assigned berths for loading and/or unloading of cargo and which satisfy the requirements set forth within. This special dockage rate shall apply to all vessels owned (but not under charter to another shipping line), operated or chartered by a shipping line, but only after 24 of the line's vessels have loaded or discharged cargo at the general cargo docks during the port's current calendar year or beginning with the first vessel immediately following the shipping line having loaded or discharged a total of 225,000 short tons during the port's current calendar year, whichever comes first. This special rate will be applicable only on subsequent vessels after reaching the above volumes, and in no case will this special rate be retroactive to cover previous vessels or will cash payments be made.</p>

(E) Free Time and Demurrage (Continued)

Item 222(C)	Extension of Free Time For Assembling Export/Outward Cargo	<p>A request for an extension of free time for export/outward bound cargo may be made to the Executive Director or Director of Business Development. A request for extension of free time will be considered only if circumstances causing the delay in moving the cargo are beyond the control of the shipper such as, but not limited to delay in the arrival of the vessel or weather interference.</p> <p>Such a request must be made to the Executive Director or Director of Business Development in writing. The approval of the request for an extension of free time shall be based on the circumstances of each case and shall be at the full discretion of the Executive Director or the Director of Business Development. Free time extensions shall be limited to 30 days and only one such extension shall be granted.</p>
Item 223-B	Cargo Received for Export but Drayed From Docks	<p>In the event cargo is placed on the dock for a vessel call at the Port, and is subsequently drayed or shipped to another location, a charge of \$2.50 per net ton will be applicable, which charge will be in addition to all other charges applicable against the cargo. The owner of the cargo and the vessel owner or agent shall be held jointly responsible for these charges.</p>
Item 224-A	Free Time on Volume Cargo	<p style="text-align: center;">CANCELLED</p>
